

Madam or Sir,

I serve as a tenured Account Executive and Copywriter for Orange Label Art + Advertising (formerly Hunter Barth Advertising), the oldest privately-held advertising agency in Orange County, CA. A portion of my responsibility is to oversee those who work as Media, Account & Research Coordinators. I had the great pleasure of having one Ms. Emily Luiz in the M.A.R.C. department in 2007.

Please accept my full and heart-felt recommendation of Ms. Luiz for your company. During her time with Orange Label, Ms. Luiz was a critical team member in the M.A.R.C. department. Ms. Luiz displayed a genuine passion for the company and an eagerness to take on new projects. Ms. Luiz ventured beyond her daily duties and volunteered to participate in our Public Relations department as well. Simply put, Emily is a natural in PR. The skill set and enthusiasm she displayed during her time with Orange Label will make her a very valuable employee. She will be of incredible value to any organization and possesses the capability to make those around her better as well.

If you wish to discuss Emily's qualifications for a specific position, please feel free to contact me by phone or email.

My very best,
